Hi Mick,

I have access to *Crain's* via Lexis and NewsBank, but those files are only updated once per week (I think on Mondays), so it's not available yet. However, this link looks like the entire article to me.

Hi Karen,

Do you have any magical ability to get this Crain's article? I get a tease e-mail from Crain's every day with headlines, but most of the actual articles are behind a pay wall. If you can get to it, please send to me, Ellen Riley, Joseph Ulfing and Sharon Jaffess. Thanks.
